Progressives increasingly challenge the Democratic Party's pro-gun credentials, with candidates appealing to first-time voters and the growing impact of social media -- political groups like MoveOn and People for Bernie Sanders's Our Revolution have used Twitter and Instagram to raise money to support down-ballot candidates. And guns safety and the issue of guns in America's schools rank high on the list of demands as voters signal they will punish Republicans who buck the National Rifle Association. "We haven't seen the degree of enthusiasm and the energy on the Democratic side until now. There are a number of reasons for it," said J. Christian Adams, president of the political action committee, Law & Crime. "You have a young electorate, maybe for the first time in 30 years, they're not locked in with the traditional party apparatus. They've never been heavily recruited, and they're turned off to the party." Read MoreOne important aspect of the traffic control plan is to deter drug dealers and gangsters to carry-out their unlawful activities on our streets. This will protect our children from being victims of crimes. Drug dealers and gangsters are one of the causes of violence and crime in this country. Anti-drug campaign is the key to controlling and suppressing drug crimes and thus, safer for our children. In order for this to succeed, it is important for us to

Today, the Opry continues to broadcast to millions using the venerable, traditional method of using a satellite dish. The Grand Ole Opry's network, which is popular among many southern residents, is known for its rich musical heritage and long standing traditions. Its mix of bluegrass, country and western, hillbilly, pop and even opera has made the show part of an ever-expanding American cultural mix. It has also been a major influence on generations of country music stars. The Grand Ole Opry began in 1925 as the result of a merger between the Grand Ole Opry House and the WSM Barn Dance. The Opry is located at 158 West Church Street in downtown Nashville, Tennessee. There is an on-site gift shop, museum and the other buildings that encompass the Opry. The Grand Ole Opry is managed by the Academy of Country Music. As a member of the National Trust for Historic Preservation, 3e33713323
