Find us on RuneScape 2000 to be released RuneScape creator Jagex has announced its first major update to the classic game, RuneScape 2: 2000, is set to be released on October 28th. The new update, RuneScape 2: 2000, is a complete overhaul of the game, with 2000 being the game's namesake. Jagex says it "heals the wounds of RuneScape 2, refocuses and re-ignites the game, and encourages you to take part and get creative again". Other changes in the update include an improved navigation system, more intuitive UI, online chat, player storage, a map system and more. "Over the past three years we've built RuneScape 2: 2000 from the ground up, adding
