watch salaam namaste serial english Salaam Namaste English Subtitle Watched this one with Subtitles,very nice and full of depth. Salaam Namaste movie free download. 6 Mar "Salaam Namaste" has been the biggest hit of Indian film industry ever since its release. It has all the elements to make the audience go all out, and it's the most downloaded film in India today. If you are a fan of watching Bollywood movies in India, but don't have the time to pay thousands of rupees for a hotel room or sit on a plane for hours, this is the right movie to watch. "Salaam Namaste" was released in 2005 and was directed by Ashim Ahluwalia, starring Saif Ali Khan and Preity Zinta. "Salaam Namaste" is about two Indians who have left their houses to make a life on their own, and how they meet and how they tackle their own relationships and their new daily life in India. "Salaam Namaste" explores all the aspects of this Indian culture, from the women wearing heavy jewelry and fancy makeup, the loud music and the ban on kissing in public, the men having a strict boundary about women and the women being controlling and manipulative, the huge families with the parents hovering around their children and the children doing what they please and the filth and pollution. The movie makes it clear that in India, families control everything in a man's life, even his relationships with his friends and his girlfriend, and there is absolutely no freedom for the women. In other words, this movie can be summarized in two words: "An Indian drama movie". It is not a perfect movie, though, and it has some flaws that show this Indian culture is not perfect at all. The biggest flaw is that when the men and women have to interact, it looks a little awkward. It's not a flaw when the men interact with the people in the street and the women talk about topics that the men would never dare to talk about, but the men are very awkward and uncomfortable when they have to talk with the women, and they don't know what to talk about. It's difficult to talk about this movie's flaws. It's really hard to make a movie that can be honest about the Indian culture and the society it's in without putting blame on it. This is a very difficult task, and the movie "S 2d92e491b
