Hospitality in Los Angeles is going out of business because they are out of money. The owner of the business, who is in need of a loan, meets a friend and hires a detective named Kishen to find out who the two would like to present their loan application to. It turns out that both men have very similar tastes and pick the same woman to present their loan application to. The two wives decide to have the women have a race to see which one can deliver the most money in order to repay her husband's loan.
