## Terraria Map With All Items Xbox [TOP]

May 15, 2021 - Does anyone know how to get the Terraria All Items Card without using an xbox 360? I see xbox 360 links here, but that's not what I want. I want to get a general map of all items without using xbox 360 If you have an Xbox One console, you can get a map of all items in Terraria by following the steps below. Go to the map by pressing the "C" button on the character selection screen. You will have two options: an item map or the entire map. Select an item card and follow the instructions in the following. Find the item you want to find on the map. Select this item.
