Ancient times The history
of Albania can be divided
into three periods:
"protohistory", "history"
and "modern history". The
prehistory of Albania is
related to the archaeology
of the Balkans. From the

Bronze Age, settlements continued to be found in the valley of the Drin. In the Early Iron Age, Lushnje and Gjirokastër were clearly in the centre of an Albanian cultural area. The Dardanian Albanians inhabited the territory of the modern-day Albanian-Greek border and the lowlands of the northern

Adriatic, the Illyrian peoples inhabited the coastal lowlands and the southern Adriatic, the barbarian tribes occupied the mountains and scattered settlements and the region of the central Albania is not yet explored. The first people of Albanian language dates from the Illyrian language, the first

Albanians were the "Dardani", while the Albanians speak the Illyrian languages. The Albanian mythology incorporates Illyrian mythology and Greeks mythology. Albanians are considered "Picts" 0298e982ba
