Ratings and Reviews 1.0 out of 5 App doesn't work Review published June 16, 2017 Developer Response July 12, 2017 Hi! Thank you for the review. Please email us at support@tecu.co and we'll get back to you shortly. Scrunchy Review published May 16, 2017 Download. It works? Developer Response May 23, 2017 Hi, we're really sorry about your experience. We're always happy to hear from our users, and we'll contact you right away if we can help. Our app is still very new, and we're working really hard to make sure it's super-usable. Thank you again for the review and feedback! Scrunchy Thanks for this template. This is a good template. The problem is that when it opens, the columns don't line up correctly on the print preview. I have to manually align them with the field separators. Developer Response July 11, 2017 Hi! Thank you for the review. This is a known issue, please

use the latest version of the app. Hmmmm It's ok but is not my style Doesn't work when the data doesn't meet the expectations, for example, I have to add an income and I haven't entered anything to the account yet. Excel doesn't recognize it as an income. Instead, it says 0. The count and chart also doesn't appear. Developer Response July 12, 2017 Hello, thank you for the feedback. For now, we can't make calculations for accounts that have no data. We're working on adding a quick way to
