**System Requirements For Total Recorder Developer Edition:**

Windows: Mac: Linux: Many of our mods require certain dlls to function correctly. For more information about dlls and how to fix them see the dll section of the README. \* The game is supported on Windows 7 through Windows 10 (32 and 64 bit), Mac OS X 10.6.8 (64 bit) and Linux 64 bit. \* We aim to make the game work with Wine, but Wine is an immature program with its API changing from year to year. \*
