TunesTweeter

Get Tweets from iTunes to your Twitter account This application downloads tweets from iTunes and brings it to your Twitter account. A Twitter account is not needed to use this application, however if you have a Twitter account and would like to use your Twitter account with this application, you can sign up for a free account on twitux.com. Once the application is installed, you are then asked to enter your iTunes username and password. Once you have entered your iTunes username and password, you are then asked to enter the application version number. You should enter the latest iTunes Tweeter application version. Your Twitter status will then be updated with the current song name that you are listening to. Screenshots: 1. Installing TunesTweeter. 2. Pressing the play button on the TunesTweeter application. You can download the application at this address: Note: You will need the 'iTunes 7 or later' or 'iPhone OS 3.0' applications. Source: TunesTweeter Version: 1.3 Date Added: January 30, 2011 File Size: 43.4 MB OS Version: 3.1 Category:Free software programmed in Objective C Category:IOS apps Category:Twitter services and applications

Róbert Fábry Róbert Fábry (born 18 March 1977) is a Hungarian handball player. He currently plays for RK Zagreb.
