The updates include basic UI improvements, new splash.When the "trouble" began, DiDomas asked her children if they needed to use the restroom. She says that her children didn't have to go then. The father told her that they did not need to go. DiDomas' husband told her that the children were bothering him. She says that he was yelling at them and that he was acting like a "bully". She took the children to the bathroom. She says that when she put the children in the bathroom, her husband followed her, saying that "children need to go potty" and that "she didn't know what she was doing." When the children came out of the bathroom, DiDomas says that she and her husband told the children to get down on the 3e33713323
