Clinical Laboratory by Godkar,.For the third season in a row, the official website for the anime adaptation of Hajime Isayama's Attack on Titan manga is teasing that a new manga adaptation of Hajime Isayama's manga series will be announced in the March issue of Kodansha's Good! Afternoon magazine on February 11. The issue will feature a story about a school trip to the top of Mt. Fuji and an original art piece by Isayama. The magazine will debut in Japanese bookshops on February 19. Kodansha Comics will release the manga as a 32-page limited edition with a cover by the character designer Shoji Sato (Rurouni Kenshin, Mermaid Saga, Kase-san and a Wizard) for the first run of 20,000 copies. The cover is illustrated in a line-work style by Isayama and colored by Yoshitaka Amano (Killer Game, Kengan Ashura, The Familiar of Zero). The manga adaptation of Hajime Isayama's manga series began this month. The manga has inspired a television anime, and the new anime is currently airing its second season. Crunchyroll is streaming the
