Here's everything we've found about FIFA 22, including the release date, new features and your chance to compete in the EA Sports FIFA Ultimate Team 22 tournament. FIFA 22 Announcement EA Sports World Cup Team Announcement EA Sports FIFA 22 release date and key features EA Sports FIFA 22 release date and key features What's new on The Pitch New in FIFA 22 - Introducing "HyperMotion Technology," which uses motion capture data from 22 real-life players playing a complete, high-intensity football match in motion capture suits. More info on FIFA 22 During the FIFA 18 demo, I found the goalkeepers to be especially un-convincing and awkward. When I saw them on the pitch it dawned on me how they looked in FUT 20; like they were played by another game using Motion Scanning. In FIFA 22 however, the goalkeepers look totally different. They now have a more modern stance, a much more natural approach when making saves. Also, they look more realistic in the game when making saves. In the demo I only noticed this change when two goalkeepers collided and the player's "ducked" to save the ball. I think this is a huge improvement and I have to say, I'm a bit of a goalkeeper nerd anyway. FIFA 22 release date FIFA 22 will be released on September 28, 2017. FIFA 22 key features FIFA 22 features the following key gameplay features: The ball physics feel tighter and are much improved since FIFA 19. Improved network matchmaking. New player models, animations and player likenesses. New football styles, including "the offside trap." New goal celebrations. Improved gameplay through a revamped card system and "shared experience." The ball physics feel tighter and are much improved since FIFA 19. In previous games, the ball would behave in a sloppy manner. In FIFA 22, the balls will behave realistically and be more fun to play with. The amount of interactions that can be done with the ball. FIFA 22 game modes FIFA 22 features the following new gameplay modes: The new "The Offside Trap." In this mode, a defender will sprint towards a player and tackle them as soon as they are onside. If you want to, you can turn and chase down the offside player while everyone is chasing you. Games as

Fifa 22 Features Key:

- New animations - make your idol run like a God in the new Body Creator, as movements and animations are used to craft running styles unique to each different player.
- Ultimate Team - find your perfect team with 28 officially licensed kits; over 800 new alternative player and stadium visuals; new unlockables and rewards; 60 goalkeepers; and loads more.
- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from 22 real-life players playing a complete, high-intensity football match in motion capture suits. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- Pro Player Career - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways

to progress, achieve, and immerse yourself in your Pro's journey through the game.

Fifa 22

Football is the world's game and FIFA is the leading video game franchise on the planet, representing the FIFA World Football Game, the FIFA World Cup™ and the FIFA Women's World Cup™. FIFA is played by over 246 million players and generates more than 100 million hours of play each week. The FIFA Football Universe continues to grow - there are now 1.1 billion players, more than 60 million teams from 76 countries, and more than 2,300 licensed club teams in all major leagues. FIFA video games have been played by millions of people for over 20 years. For more information about the brand, please go to the FIFA website. How does the game work? Powered by Football, FIFA 22 builds on the core gameplay innovations that FIFA has delivered year on year since its launch in September 2005. The game's updated engine is the key to delivering more realistic, immersive and football-minded gameplay. The key technology in the game is a dynamic match engine, which tracks the evolution of the game and adapts when needed. It also includes a new Player Impact Engine, which helps create real-world personalities and behaviours. System Requirements Minimum OS: Windows 7/8/10 CPU: Intel Dual Core 2,3GHz or AMD equivalent Memory: 3GB RAM Hard Disk: 15GB free space Graphics: DirectX 11 compatible hardware Additional Notes: EA Games: EA offers redemption codes for customers to download and play the Game on their Xbox 360 consoles at least three (3) times to redeem the code to access the game on other consoles such as the PlayStation 4.
