“There are so many people who want to be in the game that we’ve created a whole new engine and gameplay engine that is built from the ground up to handle the load we’re expecting from this game,” said Will Porter, Senior Producer at EA. “With the new engine we’re able to move players a lot more easily and react in a more realistic way on the pitch. We’re also going to offer players even more control over players, the ball and the pitch with player-specific controls and even deeper customization.” “There are a lot of football fans in China that watch the English Premier League and are very interested in the Premier League but can’t really play,” said Alan Yu, President, EA China. “More and more of these fans are getting into our products and asking to see more of EA’s FIFA on their platform. These fans are generally not in the market for FIFA or play FIFA outside of China so now is a very interesting time for us with FIFA moving into Chinese fans on the PC, mobile and console platforms.” Fan Appreciation Program includes: Autographed Game Wall Art FIFA Online Appreciation Card FIFA Online Appreciation Card 1,000 Free EA PLAY Vouchers FIFA Online Appreciation Card 300 Free Xbox, PlayStation and mobile games (Xbox, PlayStation and mobile games) FIFA Online Appreciation Card 500 Free EA SPORTS titles (including FIFA for Xbox 360, Madden NFL 25 for Xbox 360, Madden NFL 25 for PlayStation 3, FIFA 14 for Xbox 360, FIFA 14 for PlayStation 3 and FIFA 13 for PlayStation 3) FIFA Online Appreciation Card 1,500 Free FIFA Ultimate Team Packs FIFA Online Appreciation Card 3,000 Free FIFA PES 2011 Ultimate Edition Multiplayer Family Pool consisting of: FIFA Online Appreciation Card 1,000 Free EA PLAY Vouchers FIFA Online Appreciation Card 300 Free Xbox, PlayStation and mobile games (Xbox, PlayStation and mobile games) FIFA Online Appreciation Card 500 Free EA SPORTS titles (including FIFA for Xbox 360, Madden NFL 25 for Xbox 360, Madden NFL 25 for PlayStation 3, FIFA 14 for Xbox 360, FIFA 14 for PlayStation 3 and FIFA 13 for PlayStation 3) FIFA Online Appreciation Card 1,

Features Key:

- **New Ways To Play: The All New ‘New Recruitment’ Feature** – Made in collaboration with FOX Sports, ‘New Recruitment’ will provide detailed stats about every player on your squad enabling you to make informed decisions when selecting potential new signings, as well as giving you information about the compatibility between your old and new signings. ‘New Recruitment’ also gives you insight into the game’s advanced statistical systems to show which player has the higher Elo rating.
- **Improved Choice of Movement Options** – Players spend more time in the ‘Away’ position during movement options. This moves them more naturally away from action as they play. In addition there is a smarter Depth Control System that intelligently controls the maximum distance that you can pass and shoot, ensuring the most effective and most realistic passing or shooting methods.
- **Upgrade and Boost Your Arsenal Of Great New Features** – Become a Pro in FIFA, Master the art of management and dominate your rivals in Ultimate Team, improve the quality of your gameplay, master the latest passing and shooting techniques, and relive memorable moments as you look for the perfect player.
- **Graphics powered by Frostbite: Frostbite 2** takes the gameplay graphics beyond the previous generation with enhanced visuals that look amazing on Xbox One and PlayStation 4.
- **FIFA Ultimate Team Record High-Frequency Ball Physics**
The ball is fitted with an Infrared Ball Tracking System, which has been fitted onto the ball’s surface to enable the physics engine to detect the position of the ball in quick, accurate and entertaining gameplay.
--Enhanced Free Kicks
This year the free kick routine has been dramatically improved for more realistic and more intuitive user control. Free kicks are now governed by Unstoppable Motion to add more immersion and to add randomness to set piece situations. Sudden Movement also moves the player slightly in the direction of movement after the ball has been kicked.
