Once you have downloaded software, activate your new license key (sometimes found in the email associated with the registration). RTAS is free to use on your computers. ToonTrack is an intuitive drum machine that has always offered a unique and pure sound. Toontrack has released updates with revamped effects as well as new sounds to keep their users up-to-date. With the latest release toontrack has added some of their brand new sounds and also improved their old sounds. EZdrummer 3 was released in December. In addition to a massive library, EZdrummer 3 is included with Superior Drummer 3. As always, there are lots of added sounds and effects. In addition to the sound library, there are lots of new effects such as multi-mode filter, vacuum envelope, modulation delay, chorus, equalizer, string simulation, hex analog emulation, phaser emulation, and more. These effects and additional sounds make EZdrummer 3 a great instrument. EZdrummer VST3/RTAS is an instrument for the creation of new sounds, and can help you sound like the pros. Based on the classic EZ drummer drum machine, this new version supports every hit, stroke, hit pressure, and kick that you can think of. EZdrummer 3 has many added sounds, and also includes all of the sounds included with its predecessor. On top of all that, this version is also included with Superior Drummer 3 as a bonus. In this respect, when you buy EZdrummer VST3/RTAS, you also get Superior Drummer 3 for free, as well as a 10% discount on the 10-month Superior Drummer 3 Full Version (59.99 USD instead of 69.99 USD). If you have the previous version of EZdrummer 2 (found here:Â . ToonTrack is a drummer software that has been a bit of a cult product for a while. EZdrummer 2.0 launched in the end of 2009 and now is almost 7 years of age. This release includes some upgrades such as new effect chains, a redesigned interface and some new sounds. As mentioned before, the sound library remains unchanged. Although it can be argued that no software in its class can compare to Toontrack. For most users, Toontrack is probably the best all-in-one sound library. However, for a lot of
