adhd i wi, to come to your house,. Eastern equine encephalitis: a case report and review of the literature. An outbreak of equine viral encephalitis in the upper midwest United States (Winnebago County, Illinois) in 1989 was responsible for seven deaths and 70 cases of equine encephalitis. We report a case of central nervous system infection with eastern equine encephalitis virus that occurred in a client at The Animal Medical Center in Williston, North Dakota. The clinical diagnosis was based on the history, clinical signs, and the presence of anti-eastern equine encephalitis virus antibody in both the serum and cerebrospinal fluid. The virus was recovered from brain samples of the animal.

Search This Blog Tuesday, October 2, 2016 Prairie Crossing This post is about the Plein Air Painting class I took at Prairie Crossing. My friends and I wanted to paint some landscapes from the area in which

we live and Prairie Crossing provided us with an opportunity to do just that. This painting is about the different sounds and sights of a place I have only seen in pictures. I started with a coarse 6B pencil and marked the contour of the field, then lightly
