The mountain on which the legendary place lies is to be reached by tram, and, although the trek is being held this year, it will be a little more freeform than the 2016 pilgrimage. The information event takes place at the Train Forum in Akihabara on Wednesday, June 8, at 6:00 p.m. Admission is free. Details are here. This year's planned event will take place all day, starting at 10:00 a.m. There will be lectures from famed cosplayer, author, serial-killer scoutmaster, and assistant manager of the Jump City podcast... a certain Doctor Poyonoki. That's right, the game that birthed Half-Life is getting a spin-off video game based on it. And it's just as interesting as you'd think, asking questions of how people relate to art and computers and how they make up
