## **Bridal Jewellery Necklace Designs**

When it comes to bridal jewellery necklace designs there are a lot of options available. The most important part of bridal jewellery is the necklace. The neckpiece is considered the center of attraction of the bride's outfit; nobody can take his/her eye out of that.

### **Kundan Necklace**

Kundan jewellery is the oldest and most famous traditional jewellery that is adorned for a long time. In this jewellery piece, the gold and gemstones are elaborated together. It is a perfect piece of jewellery for a bride who wants a heavy necklace on her D-day. There are a lot of options available for Kundan Necklace Sets Online at many jewellery stores. You can check out the latest design of Bridal Kundan Jewellery Online.

The advertisement is split into two vertical panels. The left panel has a black background and displays a gold necklace with a central floral pendant and a pair of matching earrings. The necklace is laid out in a V-shape. In the top left corner, the logo 'CIERO JEWELS' is visible. At the bottom, a white rounded rectangle contains the website address 'www.cierojewels.com'. The right panel has a solid gold background and contains text in a serif font. The text reads: 'A Necklace Glams Up Any Outfit Without Feeling Fake Too Much.' The words 'Necklace', 'Without', and 'Much.' are in a larger, bold font.
